

# SignsandBannersFast.com Order Form - 888-359-6329

To order a banner, please select the type of fabric you want along with the color and then the width you wish your banner to be. To determine your price per running foot, please select the quantity you wish to buy. That will tell you how much you will be paying per running foot. Please multiply the length of your banner by the "/ft." price indicated for a banner of that length. Finally add the appropriate cutting charge per banner as well as any fabrication charges you want to add.
